

Sector Series Assessments

TOWES has a number of assessments for specific industries and occupational groups.

TOWES Manufacturing (MFG) - Available in English and French

The MFG test measures skill levels 2 and 3 and is best suited for machine operators, assemblers, or workers in factories and machine shops. The assessment includes assembly drawings, schematics, safety manuals, and regulations.

TOWES Office & Administration (ADM) - Available in English and French

The ADM test measures skill levels 2 and 3 and is best suited for clerks, receptionists, data entry personnel, and workers in business, non-profit organizations and public institutions. The assessment includes manuals for office equipment, memos and office policies.

TOWES Entrance into Apprenticeship (APR) - Available in English and French

THE APR tests measures skill levels 2 and 3 and is best suited for pre-apprentices and apprentices in industrial trades. The assessment includes measurement and calculation, work permits, schematics and codes.

TOWES Aerospace (AER) - Available in English

The AER test measures skills at levels 2 and 3 and is best suited for workers in aviation services, maintenance and assembly. The assessment includes job procedures, MSDS and tooling references. This custom assessment was developed by the Manitoba Aerospace Human Resources Coordinating Committee who have granted public access to this tool.

TOWES Health Care (HCR) - Available in English

The HCR test measures skills at levels 2 and 3 and is best suited for Licensed Practical Nurses, Care Attendants, Medical, Dental and Laboratory Technicians. The assessment includes blood pressure classifications, test requisition forms and specimen collection manuals.
