

General Series Assessments

TOWES is an effective assessment that accurately measures three Essential Skills: Reading Text, Document Use, and Numeracy.

TOWES is different from other assessments. Test takers must assume the role of a worker and use information from authentic documents to solve workplace problems or complete tasks.

The General Series (or G Series) assessments apply to a variety of testing needs. They contain content that is relevant to all occupations such as safety bulletins, procedures, and schedules.

TOWES General 1 (G1) - Available in English and French

This assessment measures skills at levels 1 and 2. This entry-level assessment is ideal for clients with skill gaps or as a benchmarking tool for literacy remedial training programs.

TOWES General 2 (G2) - Available in English and French

This assessment measures skills at levels 2 and 3. This intermediate-level assessment is the most widely used version of TOWES and is ideal for entrance into training, employment or as a prior learning assessment.

TOWES General 3 (G3) - Available in English and French

This assessment measures Essential Skills at levels 3 and 4. This high-level assessment is often used for measuring the skills needed for trades and technical training or employment.

G Series Assessments are available through Authorized TOWES Distributors
